***Congratulations Kristin Curry our new educational coordinator!!***

***July Meeting will be July 24<sup>th</sup> discussing summer meeting***

Region 9 Summer Meeting, August 5, College Station, TX. Let [Barb Harty](#) if you would like to attend or if you would like to donate a basket. Need to reserve your room on the Regional 9 Website.

"At the 2016 Great American/USDF Region 9 and Southwest Dressage Championships, HDS sponsored a silent auction that contributed proceeds to the GMO's in the Region that assisted with volunteers at the show. The auction will be planned again for the 2017 Region 9 Championships; however, HDS proposes a different format. In the past, HDS has been stretched thin trying to organize a silent auction in addition to all the other responsibilities of running the Region 9 and SWDC championships. The result has been dwindling silent auction proceeds for the Region's GMOs. This year, HDS proposes to have a silent auction table(s) for each GMO. Each GMO will solicit and manage their own auction items. HDS will promote the silent auction as well as provide space, tables, clipboards and pens for all the GMO tables. This will have the result of expanding the items in the auction and increasing the proceeds each club can generate. HDS will continue to organize the Battle of the Barn Baskets benefitting the Region 9 Junior/Young Rider program. "
