For Sale

Black Country dressage saddle. Older Eden model with quilted panel and serge panel. 17 inch, MW to W Excellent Condition. fittings included. located in Keller, Texas \$1,100.00 Email Gabrielle Gordon gordon.gabriellem@gmail.com or call 817-431-8775

15 yr. old 15.3 hand baroque-type Belgian/Welsh cross gelding. He's been on a dressage lease for the past 6 months and is working 1st level and schooling 2nd. He's large bodied, but when working correctly, light on his feet and a fun ride. I'm looking for another lease in the North TX area or possibly a sale to a dressage home. While he can handle a larger rider, he doesn't need a strong rider and his last lease rider was a slight, 16 yr old girl. He's light in the hands and responsive. I'd rather he didn't jump. He's easy to handle on the ground and a brave, confident horse. \$4500 or free lease (take care of board and bills). jeniferkey@yahoo.com or 817-360-1709
